

Did You Know?

The U.S. Department of Agriculture recommends 2½ cups of lowfat or fat free milk and dairy foods daily for those 4–8 years old and 3 cups for those 9 years and older.

Developed by the Pennsylvania Department of Education and Penn State University (Project PA).

This project has been funded at least in part with Federal funds from the U.S. Department of Agriculture. The contents of this publication do not necessarily reflect the view or policies of the U.S. Department of Agriculture, nor does mention of trade names, commercial products, or organization imply endorsement by the U.S. Government. USDA is an equal opportunity provider, employer, and lender.
