

**Dassa McKinney Elementary School**  
**Remote / Flexible Instruction Day (FID) Schedule**  
**2024-2025**

***PLEASE NOTE: FID will not be utilized until ALL snow makeup days have been exhausted.***

If school is closed due to inclement weather, the Elementary School can use up to five (5) Flexible Instruction Days (FIDs) in a school year. FIDs will occur remotely, according to the schedule listed below. Teachers will post their Google Meet links on their Google Classroom homepages as well as ClassDojo. During remote FIDs, students must login to the teacher's Google Classroom at the assigned time.

Classes will run synchronously, which means students will be joining their classes live using Google Meets. During these meets, teachers will check for students' understanding of the lesson and take attendance. Detailed schedules and assignments will be sent home in advance.

If you encounter internet issues and cannot login to your classes, you must either call the elementary school office at (724) 637-2321 or email our office at [dassaoffice@moniteau.org](mailto:dassaoffice@moniteau.org). Due to high call volumes, please leave a message on the office phone if you are unable to reach a secretary. Please note that failure to attend Google Meets or failure to notify the office that you cannot participate due to internet issues or illness will result in an absence.
