

Moniteau Junior/Senior High School
Remote / Flexible Instruction Day (FID) Schedule
2024-2025

PLEASE NOTE: Flexible Instruction Days will not be utilized until ALL snow makeup days have been exhausted.

If school is closed due to inclement weather, the Junior/Senior High School can use up to five (5) Flexible Instruction Days (FIDs) in a school year. FIDs will occur remotely, according to the detailed schedule listed below.

Teachers will post their Google Meet links on their Google Classroom homepages. During remote FIDs, students must login to the homeroom teacher's Google Classroom no later than 9:30am. Additionally, teachers will take attendance every class period, which means students MUST login to every class. Students are ***not required*** to login for their lunch periods and/or for their study hall periods.

Classes will run synchronously, which means students will be joining their classes live using Google Meets. During these Google Meets, teachers will check for students' understanding of the lesson and take attendance.

If you encounter internet issues and cannot login to your classes, you are required to call the high school office at (724) 637-2091 to inform the secretary that you are unable to participate in live Google classes. You may also email your homeroom teacher (or the teacher for that specific class).

Please note that failure to attend Google Meets or failure to notify the office that you cannot participate due to internet issues will result in an illegal absence.
