Hi Moniteau Families. Please see the information below. I recently received an email from Midwestern Intermediate Unit IV regarding data collection for Pre-Employment Transition Services and Transition Services through Temple University. The survey link below will help OVR (Office of Vocational Rehabilitation) address the needs of students and youth with disabilities. Please consider taking the survey.

Thank you

Paula Bredl, Director of Special Education

Received Email:

We are writing for your help in reaching youth and families about Pre-Employment Transition Services and Transition Services.

The Institute on Disabilities at Temple University and the Pennsylvania Rehabilitation Council is collecting information from Pennsylvanians with disabilities and their family members to help the Office of Vocational Rehabilitation (OVR) address the needs of students and youth with disabilities, and their families, and plan quality services that support competitive employment.

Please share this [survey](#) with the students, families, and schools you work with. The survey will be open until November 30th. It is anonymous and voluntary. It will take approximately 20-30 minutes. Students and youth can win 1 of 20 \$20 gift cards. Family members can win 1 of 3 \$20 gift cards.

Please email ovrcsna@temple.edu with questions or accommodation requests.
