Superintendent Goals
January 13, 2022

Standard 1-Shared Vision

Goal #2: Develop the district level comprehensive plan.

- a. Collaborate with district stakeholders: administrators, teachers, staff, parents, community members and school board members to maintain, revise and update the established goals of the comprehensive plan, as needed .
- b. Facilitate district level meetings where student support and academic achievement are highlighted throughout the goal development process.

Standard 4-Management

Goal #1: Develop an understanding of the operations departments as well as the financial state of the district.

- a. Become familiar with the budget and all procedures associated with the creation and operation of the budget to limit any required tax increase for the 2022-2023 school year.
- b. Meet on a recurring basis with the business manager and all directors.
