

## **Moniteau Scholarship Foundation**

**The Moniteau Scholarship Foundation was created in 1985 to encourage and assist students graduating from the Moniteau School District in their pursuit of higher education. The Moniteau Scholarship Foundation creates a partnership between the community and the school to provide financial assistance to graduates continuing their education at either a post secondary or vocational school.**

**Students earning a cumulative quality Point average of 3.5 or higher, and who complete the Foundation application, are eligible to receive this scholarship. The Foundation typically distributes \$10,000 per year between the eligible students. The actual amount is dependent upon the total amount collected and the number of students that qualify and apply for the financial assistance during each school year.**

**Over the past 35+ years the Foundation has distributed more than \$350,000 to nearly 900 Moniteau graduates.**

**In addition, the Scholarship Foundation assists in the management of 14 privately awarded scholarships.**

**The Foundation constantly seeks to increase awareness of our mission and to gain additional community and financial support for the students. The Foundation is a 501 (c) (3) registered charity. To learn more about the Foundation or to make a tax deductible donation, please contact us at:**
